

Kasia Grzelkowski
President & CEO, VersAbility Resources

Kasia Grzelkowski is President and CEO of VersAbility Resources, a leading provider of comprehensive services for people with disabilities, serving more than 1,500 people with disabilities annually through workforce training, employment, residential, day support, and early childhood programs. Leading a \$71 million organization with over 1,000 employees, she oversees extensive federal contracting and commercial operations nationwide, including partnerships that have created hundreds of high-quality jobs for people with disabilities.

A recognized business and community leader, Kasia is a past chair of the Virginia Peninsula Chamber of Commerce, serves on the Hampton Roads Chamber of Commerce Board, and is a member of the Peninsula Council for Workforce Development. She has been named one of *“75 People Who Shape and Influence Hampton Roads”* and is a recipient of the Entrepreneurial Excellence Award. Kasia holds both bachelor’s and master’s degrees from Cornell University.
