Dear Business Leaders and Community Partners,

The Ability Am Golf Tournament at Cedar Point Club – set at the beautiful confluence of the Nansemond and James Rivers in Suffolk, Virginia – raises critical funds to advance the full mission of VersAbility Resources: supporting people with disabilities in leading productive, self-determined and fulfilling lives.

For over 70 years, VersAbility has walked alongside individuals and families across Hampton Roads, the Middle Peninsula, Northern Neck and beyond – offering early childhood services, day and community engagement programs, residential support, workforce training and employment services. From children building foundational skills, to adults gaining independence and connection, to individuals pursuing training to enter meaningful careers through VersAbility TECH, our programs are designed to meet people where they are and help them move forward with confidence.

Proceeds from the Ability Am Golf Tournament support this comprehensive network of programs and services, ensuring individuals and families have access to the resources, expertise and support systems they need to succeed at every stage of life.

We invite you to join us on Thursday, May 14, 2026, for a memorable day in support of this mission. Sponsorships and golf teams are available. Enjoy the spectacular course and scenic waterfront views at Cedar Point Club, along with meaningful networking and friendly competition. Breakfast will be provided prior to play, followed by an awards reception and lunch after the tournament.

Thank you for your continued commitment to strengthening opportunity and inclusion throughout our region. We hope to see you on May 14 for a great day of golf in support of VersAbility Resources.
